## Proven Excellence SOMATOM Sensation 16

The Siemens Proven Excellence SOMATOM Sensation 16 gives you exceptional CT imaging capabilities:

- Perform cardiac exams in <20 s with 0.75 mm slices and down to 105 ms temporal resolution for clear depiction of the coronary arteries
- Scan any anatomy within one breathhold with virtually isotropic resolution for clear visualization of anatomy/ pathology, seen from any perspective
- Join the revolution in imaging workflow with Speed4D!
- Reduce patient dose by up to 30%!

All attempts have been made to ensure accurate data. Medical Imaging Resources, Inc. assumes no responsibility for any unintentional errors or omissions.
